

Only the Scars Remain.

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc.," writes Henry Henderson, of the James Smith Philadelphia, Pa. "I have been cured of my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old mother urged me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the pain, to remind me of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have visited Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."

For the cure of all diseases originating in impure blood, the best remedy is

sleep is something that can be
overlooked in the case of a child
and a young man, and is the best
remedy for whooping cough.

The following officers were elect-
ed to serve for the ensuing year by
the Presbyterian Sunday School:
Superintendent, J. W. Chapman;
assistant superintendent, Geo. W.
St. Clair; secretary and treasurer,
Henry Preston; organist, Miss Kate
Kelly; assistant organist, Miss Leah
Alderson.

Dr. and Mrs. J. M. Estill left on
Monday afternoon for Lexington,
Va., where they will make their fu-
ture home with their son, Dr. An-
drew Estill. It is with regret that
we chronicle their departure, and
we voice the sentiment of the com-
munity when we say they will be
missed. The Dr. and his estimable
wife were beloved by all who knew
them. As a physician and one who
labored among us for so many
years, the Dr. was regarded as a
friend by all and was ever ready
and willing to respond to the call
of suffering humanity, no matter
whence it came.

About a year ago I took a violent
attack of la grippe. I coughed day
and night for about six weeks; my
wife then suggested that I try Cham-
berlain's Cough Remedy. At first I
could see no difference, but still kept
taking it, and soon found that it was
what I needed. If I got no relief
from one dose I took another, and it
was only a few days until I was free
from the cough. I think people in
general ought to know the value of
this remedy, and I take pleasure in
acknowledging the benefit I have re-
ceived from it. MADISON MUSTARD,

tles for sale by A. F. Hargrave, drug-
gist.

C. V. COMMANDERY.
Clinch Valley Commandery No. 20,
Knights Templar, formed in their
Asylum on Christmas day and march-
ed to the Methodist church in their
brilliant uniforms and carried their
magnificent banner.

The Rev. W. W. S. Bishop preach-
ed a sermon of great power and his
peroration to the Knights was grand
and worthy of Peter the Hermit.

The singing and music, under the
leadership of Mr. and Mrs. A. D. W.
Walton, was splendid, and better
rendered than at any of our neigh-
boring towns on Masonic occasions.

This young commandery has made
an enviable reputation for zeal and
learning, having been referred to by
the Eminent Grand Commander as
one of the most promising in the
State of Virginia.

We learn there is a movement on
foot to celebrate Ascension Day here,
if so, the people of the town ought
to contribute liberally of their means
to assist this young commandery to
make it a success. It will bring two
hundred people to town for at least
two days and the money spent will
be considerable.

Tazewell should, by all means,
maintain its reputation for hospitali-
ty. Let us show this young com-
mandery that we are proud of it.

THE WISH GRATIFIED.
You have often wished for some-
thing to take the place of Pills. Now
try a 25 cent package Simmons Liver
Regulator powder. Take it dry on
the tongue or make it into a tea. It
is pleasant to take, and gives quick
relief—two good recommendations.

and disease will fasten itself upon it
and death will mark it as one of its
